CIRCULAR – 45/2011

The Govt. of India through NCRB is implementing a Mission Mode Project under the National e-Governance Plan called Crime Criminal Tracking Network and Systems (CCTNS). As part of the strengthening of training infrastructure under the Capacity Building Guidelines, 9(nine) District Training Centres have been set up at all the District Headquarters, PTS and at SCR B PHQ. The training infrastructures were reinforced with Servers, Clients, UPS, LCD Projectors, Multi-Functional Printers, Networking Switches, LCD Screen, Computer tables and Computer chairs as per list below as on 22nd August 2011:-

	Items	SCR B DTC	PTS DTC	EKH DTC	WKH DTC	JH DTC	RB DTC	EGH DTC	WGH DTC	SGH DTC
1	Server	1	1	1	1	1	1	1	1	1
2	Desktops	15	10	10	10	10	10	10	10	6

9	Computer Chairs	16	11	11	11	11	11	11	11	7

The district Superintendents of Police, Principal, PTS and Superintendent of Police, SCR B will ensure that the training programmes are conducted and that the same should cover general/basic computer awareness programmes in addition to CCTNS-specific programmes, in order to ensure operationalisation of the system at the Police Station level. Under no circumstances should the machines and peripherals be removed from the DTCs as the same are meant for CCTNS training purposes only.

The Superintendents of Police and Principal, PTS should submit a monthly statement of the utilisation of the DTC to reach the Superintendent of Police, SCR B, Meghalaya, Shillong by the first week of every month regularly.
