Subject :- MONITORING INVESTIGATION OF CASES –Reg.

Police being a principal player in the proper working of the criminal justice system, it can deliver the results only if proper supervision of cases is ensured. It is observed that position regarding progress in the investigation of cases including writing of CDs is not monitored at the level of the Circle Inspector, Dy. Superintendent of Police, (Crime/Hqrs) Superintendent to Police and Range Dy. Inspector General of Police levels. This has resulted in a situation in which, very often, the Investigating officers are taking years in disposing of cases. In several instances, it is found that the investigating officers have not written a single case dairy after the cases were endorsed to them. Such an approach and attitude toward investigation of crime runs counter to the principal of criminal justice.

In view of the above, in order to monitor position in this regard in each district, henceforth, information in the following format should be sent to the office of the Addl. Director General of Police, (CID), Meghalaya, Shillong every month so as to reach within 1st week of the following month.

“The statement of the pending cases with details of CDs in respect of _____ district for the month of _____
