Appreciation of Meghalaya Police

At the outset I take this opportunity to congratulate the high professionalism displayed by Meghalaya Police in investigating theft cases in Mobile Towers of my Company.

ATC is operating approximately 100 Mobile towers in the state of Meghalaya & we have been having frequent thefts at our sites. I would like to highlight the theft case at Nehu Mawpat on 21 Jul 2014. Twenty four battery cells were stolen & FIR was lodged in Nongmynsong OP.

I would like to make special mention of Mr JS Gill, OC Nongmynsong OP, for his utmost dedication & professional acumen in planning & apprehending the culprits. For his extraordinary insight & astute planning I would like to congratulate Meghalaya Police & your overall leadership of the highly professional force under your command. Kindly accept our deep gratitude & felicitations for excellent work done.
