Complaint Registration in Citizen Portal

Citizens will be able to register their complaints directly over internet in case they choose not to visit the concerned police station initially. Citizens will also be able to modify/view the registered complaint and track its status online.

On registering a complaint in Citizen Portal, registration number will automatically be generated and acknowledged on the screen. Simultaneously, the Officer-in-Charge of the concerned Police Station is alerted by the system to initiate action on the information/complaint. Thereafter, Police will enquire into the matter and contact the complainant, if necessary.

Status Search :- One can search the current status of any complaint as filed online by him/her.

The services available in Citizen Portal will further be expanded and the following services are under consideration for inclusion in due course.

- Domestic Help Verification Request
- Tenant/Paying Guest (PG) Verification Request
- Employee Verification
- Event/Performance Request
- Protest/Strike/Rally etc. Registration Request
