MEGHALAYA POLICE APPEALS TO STUDENTS AND PARENTS NOT TO BE CARRIED AWAY BY
FALSE PROPAGANDA

We have come across several messages being circulated over mobile phones and on the internet space, spreading false rumours to the effect that Students from the North Eastern States have come under attack in some South Indian States and that such attacks are likely to intensify in the coming days. We have checked up with our counterparts in the Police Department in many South Indian States and have found **that these are absolutely false rumours**. Obviously, such false rumours are being spread by trouble mongers and fanatic anti-national forces, with the intention to foment trouble and promote disaffection amongst our people.

Meghalaya Police appeals to all students and parents, NGOs, and Media not to give credence to such false propaganda.

If you require any assistance in this connection, please get in touch with our helpline No +91 8575001111 which will be personally attended to by an Inspector General Rank Officer 24X7.
