PRESS RELEASE

Dated : Shillong the 31st January, 2011

DGP Kakati addressing Policemen

While addressing policemen in his farewell parade at Police Training School, Mawroh on 31st Jan, 2011, DGP, Meghalaya, Shri S.B. Kakati exhorted them to be forever ready and willing to serve the people. "Nobody asked you to join police. You have chosen the profession. So don't crib when responsibility comes your way to serve the people." Shri Kakati superannuated today (31.01.2011) after a distinguished service of 34 years.

Mr Kakati applauded the efforts of the Shillong city Police in educating the people through Facebook and a tie-up with the radio Red F.M on various issues related to traffic management including issuing of traffic bulletins. He highlighted that the State Police is being equipped with modern weapons to take on the challenge of insurgency.

Mr Kakati emphasized that for policemen to be efficient in discharge of their duty, they have to be fairly competent in handling computers. The Crime and Criminal Tracking Network and Systems (CCTNS) which is being implemented in the state police takes care of imparting computer training to the policemen in all ranks. He said that computer education has been made one of the subjects of basic training of unnamed branch constables.

While expressing best wishes to Meghalaya Police, the out-going DGP acknowledged his gratitude to the officers and men for extending excellent professional support to him in meeting various challenges that came his way as the DGP.
