Consolidated programme regarding safety and protection for women and girls in Residential Institutes in Chhattisgarh.

Introduction:-

There are numerous plans; programme and so many lawful provisions are available for the welfare, safety and protection of women. Still the incidents regarding the crime and violations against women are coming on the light. Keeping the on going incidents in mind for the security of women and girls in girls hostels, the Government has decided the important measures, inspection and monitoring of the conduct of these institutions, following proposals and objectives:-

Purpose:-

- 1.1 To provide safe and fearless environment for women and girls in Residential Institutions.
- 1.2 To sensitize the management and employees regarding the safety and needs of women and girls in Residential Institutions.
- 1.3 To provide every needful facilities for the women and girls in Residential Institutions.
- 1.4 To create responsible and sensitive administrative framework for the complaints and redressal of the problems of women and girls.
- 1.5 To ensure the proper arrangement of monitoring and observation of these residential Institutions.
- 1.6 To ensure the facilities/services provided to the women and girls while coordinating with all departments.
- 1.7 Effective implementation of the existent legal provision and legal system for the protection of women and girls.
- 1.8 All round publicity of the existent provisions of the women/ girls.

234

2. To fulfill above mentioned purposes following actions are proposed :

2.1 Establishment of Helpline (1091) in case of Emergency: - A helpline number (1091) would be set up by the department of police for the assistance of women and girls in every districts of the state. This helpline number would be conducted by the available staffs of the department of police. A women desk will be set in every police station in which a woman will be posted there and a separate room will be provided for the women. If a women desk may not be possible in some remote or hilly or mountainous areas, a department wise women

2.2 Proper security arrangements in the institutions of women and girls

2.2.1 There would not be any male officer/employee/service provider in the institutions for women and girls. If Education- Training and Hostel facility is available in the same complex or hostel, then the male Officer/Employee/Service provider will not enter. If any unavoidable circumstances, service provider, Doctor, Technical employee enters into the Hostel, he would necessary accompanied with a woman senior in age. This direction would also be implied to the non-governmental/ private institutions.

2.2.2 Lady home guard would be posted in place of male guard in the institutions. A necessary number of Lady Home guards would be implied after the demand letter be sent to the department of concern police (director general home guards). This action would be taken in time phase manner in different segments. These home guards will work under the administrative control of the concern department but the conditions of the service and training etc will be as the main department. During the service period of these home guards, their decisive salary, allowance will be paid by the concerned department. They will be paid as per the today's payment of the guard. Controller department, if desire, they can decide the separate uniform after coordinating with the department of police.

There would be a provision for necessary arrangement of lady security guard in their own expenses in place of home guard for the non- governmental institutions. It would be the responsibility of the concern department to adjust

those male employees in different posts who were removed from women/girls hostel.
