MESSAGE

To,

All ranks of Meghalaya Police.

First and foremost, I take this opportunity to express my gratitude to all the officials of Meghalaya Police for their valuable contributions and for their dedication to duty in these past three years. Meghalaya Police achieved many great feats in these years that have gone by, and these distinguished accomplishments would not have been possible without the hard work and commitment of all the ranks of Meghalaya Police.

The journey that began three years ago, started with full of dreams and now that it is drawing towards the end, the journey has been nothing short of an exhilarating and successful one. The collective participation and assiduous deeds of all the ranks of Meghalaya Police have truly made this journey possible.

I am indeed honoured and privileged to have been able to lead a force known for its valour and expertise, and as I bid adieu to this fraternity, I thank all the police officers and men for etching, everlasting memories in the most important chapter of my life. It is not easy to leave behind the glorious Meghalaya Police, but as the saying goes, 'all good things must come to an end', the time has also come for me to bid farewell to all the ranks of Meghalaya Police.

Words are not enough to express how indebted I am to Meghalaya Police and all I can say is **Thank you, Meghalaya Police**, for bringing smiles into my life, and for being part of this wonderful journey.

All the very best in the future.

With *Warm regards,*

Yours sincerely,

R. Chandranathan
